## LSCC: Silver dollar purchasing power

Stephen Petty will host a regional meeting of the Liberty Seated Collector's Club (LSCC) on **Friday, Sept. 1 in Room 183 at 9 a.m.** The session will be repeated Saturday for those unable to make the Friday meeting. Gerry Fortin, LSCC president, will also be hosting.

Following introductions and an overview of the LSCC, Stephen will give a brief presentation on Seated Dollars titled "What a Dollar Would Buy from 1840 to 1870." The talk will provide everyday costs for goods and services in this era compared with the relatively large value of a dollar in the mid-1800s

Seated dollars were produced from 1840 to 1873; the set, excluding the 1858 proof-only issue, consists of 44 coins. The series is known for its rarities; arguably only 35,000 to 40,000 specimens survive in all grades today. The series has several stoppers, including the 1870-S (9 survived – rarer than the 1804 dollar, where 15 are known to exist), the two Philadelphia dates – 1851 and 1852; and the 1871-CC and 1873-CC. Added together, the total PCGS and NGC graded coins for the rarest 32 of the 44 coins totals the same as the 1893-S Morgan silver dollar.

Stephen is reportedly only the fifth collector to ever complete this set.

The public is welcomed and encouraged to attend!

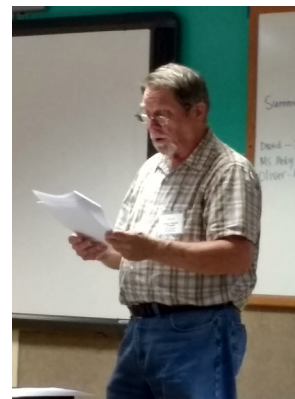

## July presentation

A chance purchase of a 1653 Wartenberg 1 kreuzer about eight years ago led to a collection of 70-and-counting small silver coins from German states, duchys and bishoprics, Geoff G said.

He compiled a want list of mostly dime-size silver pieces from the listings in the Standard Catalogs. But, he said, he also has coins that pre-date the earliest listings in the catalogs by centuries. Geoff said his oldest piece is an undated coin from the 12th or 13th centuries. He also has several coins from the 14th and 15th centuries. He said his oldest dated coin was struck in 1515.

## Thank-you note from Heather Mann

Dear C.O.N.A Membership,

As I have time to reflect on my father Hugh's life, I couldn't do so without acknowledging his love of coins. He was so proud to be a member of your club. Every year father's day dinner would be planned around the coin show. My birthday was sometimes missed as it often falls around the Labor Day weekend. If he missed such dates for any other reason I might be annoyed. I never thought to compete with his love of coins.

I really believe that my father's life was extended by his hobby. He couldn't miss the club meetings or the monthly coin shows. I know there were several coin events he attended after a short hospital stay, motivated to be out in time to make it. He loved the community the club provided and was very grateful for all the friends he made.

My family is so appreciative of the many of you who attended his calling hours and/or funeral. You shared your stories and I was overwhelmed by how the loss impacted many of you. I enjoyed visiting with several of you during our lunch that day. We can't thank you enough for all you did for my father.

Thank you for the impact you had on my father's life. I'm certain his impact on yours was just as great.

Heather Mann  
and The Mann Family

# Scenes from the picnic

## Photos by Marlene C

We had great weather and great food for our annual picnic Aug. 6 at the Lane Rd/Thompson park. Steve Petty cooked up a mess of hamburgers and bratwurst and members provided the desserts and side dishes. Marlene C made the rounds as the club's photographer. It was good to see so many familiar faces.
